PAYMENT OPTIONS

We accept payments by mail of either check or money order. We also accept cash, checks or money orders at our walk-up counter between the hours of 7:30 a.m. and 5:30 p.m., Monday through Thursday and alternating Fridays 7:30 to 4:30 p.m. excluding holidays. Our office is closed every other Friday, starting Friday, November 10, 2008. We also have a night drop for payments by check or money order after normal office hours.

On-line payments are also accepted. If you are currently paying any of your bills on-line, all you need to do is add our payment address, (listed below), along with your 10 digit account number to your bill paying service. Add us to your list the same way you added your other bills. If you are not set up for on-line banking but are interested in this method, you should call your bank or credit union and ask them to assist you in setting it up. Customers who decide to use the on-line payment method have the convenience of not having to write a check and mailing it. You save time and the cost of postage. Please be aware it takes from two to five days, depending on your bank, for your payment to get to us when using on line banking.

We also offer Direct Payments (ACH DEBITS). This method allows your payment to be automatically taken out of your checking or savings account. The amount due would be automatically debited from your checking or savings account approximately 10 days after receiving your monthly bill. This method saves you time and postage and also avoids late payments. If you choose to select this method, complete the form on the reverse side of this letter and return it to us with a voided check. We will continue to send your monthly billing statement. Your account will be debited the total amount due on the last business day before the due date on your regular monthly bill.
